I attached the Resource Tracking Spreadsheet for this response (I have an REOC worksheet and a second for the Field Ops). I tried to include the resources each of your regions have deployed in the field. Please provide me with your best point of contact for your resources and I'll keep it on this ss. Also, let me know if I need to make some corrections on dates and names and numbers. I plan to update this daily and send it to whomever you provide as poc's.

Thanks for your help!
